

PRIVATE MEMBERS MOTION NO. 11/07-08

EXTENDING THE LEVEL OF OPPORTUNITY AT POST SECONDARY EDUCATION

WHEREAS the employers over the years generally complain that our young people do not seamlessly transition from school to work;

AND WHEREAS there is a general perception by employers that their level of maturity and depth of skills required in the work place is not at an acceptable level;

BE IT NOW THEREFORE RESOLVED THAT the Government considers extending the level of opportunity for post secondary education by establishing a suitable programme which caters to these.
