Question:

Can the Hon. Minister say:

- (a) How much does it cost Cayman Airways per flight to operate the Embraer Turbo Prop to Cayman Brac?
- (b) How many paying passengers are required on each flight to break even? and
- (c) What is the average number of passengers per flight since commencement of operations of the Embraer Turbo Prop?

Answer:

Madam Speaker, I would like to refer to Standing Order 22 (4) which states:

A Member of the Government may decline to answer a question if an answer would, in the opinion of the Government, be contrary to the public interest.

In this instance, the answers to the question are considered commercially sensitive information and should not be released.
