

FOURTH YOUTH PARLIAMENT

Government Motion No. 1
Establishment of a new Landfill and a Waste-to-Energy Facility

WHEREAS there is much concern by Caymanians that there is not a viable solution to deal with the ever increasing volume of waste;

AND WHEREAS there is much concern towards the environmental impacts of our current waste management methods;

AND WHEREAS the current area of the landfill is unsatisfactory in regards to size and its appearance;

BE IT NOW THEREFORE RESOLVED THAT this Honourable CPA Youth Parliament cap the existing landfill before creating a new landfill and establish a functional waste-to-energy facility.
