

FIFTH YOUTH PARLIAMENT

Government Motion No. 1 **Lessening Human Impact on the Environment**

WHEREAS the Youth of the Cayman Islands have a growing concern that our Islands' natural marine and terrestrial environment faces a multitude of changes that threatens its longevity and usefulness as a major source of our nation's prosperity;

BE IT NOW THEREFORE RESOLVED THAT this Youth Parliament introduce educational programs in schools and dive centers to increase awareness amongst the populace on how to better conserve the terrestrial and marine environment;

AND BE IT NOW THEREFORE RESOLVED THAT this Youth Parliament provide and maintain a program that ensures the sustainability of the terrestrial and marine ecosystem;

AND BE IT NOW THEREFORE RESOLVED THAT this Youth Parliament amend the relevant legislation to provide for stronger deterrents on crimes against the terrestrial and marine environment.
